Four foreigners who live in Britain talk about the things people say about the British...

Starbucks, summer, and other things I ♥ love about Britain

Mark Vanhoenacker, an American journalist who lives in London, says the UK's not just OK – it's paradise. **These are some of his reasons...**

Walking

Britain isn't a good place for cyclists. But for pedestrians it is wonderful. When you walk on a zebra crossing, all the drivers stop.

Banks

British banks are great – you do everything online, and you don't pay when you take money out of an ATM. And if you want to change banks, the banks do all the work, not you.

Drivers

The British are very polite when they drive. They don't hoot, and they are patient with other drivers. They always say thank you when you let them pass.

Boots the Chemist

Chemists in the UK are wonderful, friendly shops and completely different from US pharmacies. Boots sells everything you want, not just medicine, and the shop assistants give you good advice.

No ID Cards

Britain is one of the only places in the world where people don't have ID cards. In the US you need ID when you buy a drink, go to a club, use a credit card, or take an intercity train.

Summers

I love British summers! A good summer day in Britain is dry and warm, but not very hot.

Starbucks

Starbucks isn't British, of course, but I prefer the Starbucks in Britain. They are nice, friendly places where people read the newspaper and drink good coffee. And the waiters don't write your name on the cups – I feel stupid in America when the waiter calls 'Mark, your tall cappuccino with extra chocolate!'

4 READING & SPEAKING

27 Look at the photos. In which one can you see...?

| <input type="checkbox"/> a cash machine (ATM in American English) | <input type="checkbox"/> a chemist /'kemɪst/ | <input type="checkbox"/> a waiter |

| <input type="checkbox"/> a zebra crossing | | |
| <input type="checkbox"/> a driver | | |

27 Read and listen to the article. Mark the sentences T (true) or F (false). Say why the F ones are false.

- 1 Britain is a good country for cyclists and pedestrians.
- 2 It's expensive to use ATMs in Britain.
- 3 British drivers are nice to other drivers.
- 4 Boots the Chemist only has medicine.
- 5 In Britain people don't have ID cards.
- 6 Summers in Britain are very hot.
- 7 In Starbucks in Britain waiters don't use your first name.

c Underline these verbs in the text. What do they mean? Compare your ideas with a partner.

walk pay drive sell give need
buy use prefer feel call

d Look at each paragraph again. Say if it's the same or different in your country or city.

Naples isn't a good place for cyclists or pedestrians, because people drive very fast!

Useful words: Why? and because

Use *because* to answer the question *Why?*
Why isn't Naples a good place for cyclists?
Because people drive very fast.

For each photo, say why you think the night was memorable.
- Read about two people's nights, and match them to a photo.
- Read the texts again and match the questions to their answers in the texts.

- ☐ What time did you get back?
- ☐ What was the weather like?
- ☐ Why was it a memorable night?
- ☐ When was it? Where were you?

- ☐ What did you wear?
- ☐ Who were you with?
- ☐ What did you do?

Why do we remember some nights in our lives?

Is it because we went to a beautiful place, met interesting people, heard wonderful music, or saw a fantastic film?

We asked people all over the world to tell us about a night that they can never forget...

Maria Julia from Argentina

- It was in August two years ago when I was on holiday in Athens.
- I wanted to see a man that I knew a little when I was at university. He was Greek and he lived in Athens. I called him many times, but he didn't answer. Suddenly, on my last night, he came to my hotel.
- I felt embarrassed, because my clothes weren't very special – a green skirt and a white T-shirt and Greek sandals – and my hair was a mess.
- We went out and walked around the centre of Athens. We spoke English, but he taught me some Greek words and I taught him some Spanish.
- It was a warm night with a beautiful full moon.
- I got back to the hotel at 3 a.m.
- It was a magical evening – an Argentinian woman with a Greek man on the other side of the world in those dark streets, with the lights from the Parthenon up on the hill!

Mehmet from Turkey

- It was last year. I was in Istanbul, where I live.
- I was with my friends. It was my best friend's birthday.
- I wore a black T-shirt and blue jeans.
- We went to a great place called Cezayir. It's an old building with a great restaurant. We had dinner, and after dinner we had a coffee in the bar. Then we went to the beach at Florya and we had a swim. It was fantastic. The water wasn't very clean, but we didn't mind!
- It was a hot night and the sea was really warm.
- After our swim, we were tired and decided to go back, but I couldn't find my car keys! We went back to the beach and we looked everywhere, but it was too dark. In the end I left the car at the beach and I went home in my friend's car! I got home really late, at 5.00 in the morning.
- It was a memorable night because we had a fantastic dinner and swim, but also because I lost the car keys – it was my father's car and he was really angry!

WOULD YOU LIKE TO STAY IN A HAUNTED HOTEL?

THERE ARE MANY HOTELS IN BRITAIN THAT PEOPLE SAY ARE HAUNTED. IF YOU ARE FEELING BRAVE, YOU CAN STAY THE NIGHT IN ONE OF THESE HOTELS.

ENGLAND GOSFORTH HALL INN

Gosforth Hall is a small hotel in Cumbria in the north of England, built in 1658. People say the hotel has the ghost of a Catholic priest. He usually appears in Room 11. There is a secret tunnel that goes from behind the fireplace in the hotel lounge to Room 11. In 17th-century England, Catholic priests used the tunnel to hide from Protestants.

The owner of the hotel, Rod Davies, says: 'I didn't believe in ghosts before I came here, but strange things happen in the hotel. One guest woke up in the middle of the night and saw a tall man standing next to his bed. He checked out the next morning.' Rod's wife says: 'One night a lot of books fell off a shelf in the lounge. And sometimes when I am working I feel that someone is watching me, but when I turn round nobody is there.'

SCOTLAND COMLONGON CASTLE

Comlongon is a 15th-century castle in a small village near Dumfries in south-west Scotland. The castle is haunted by the Green Lady, the ghost of Lady Marion Carruthers. Lady Marion was unhappy because she was married to a man she did not love, and in 1570 she jumped from the castle walls and killed herself. Many strange things happen in the hotel – doors open and close, and lights go on and off in empty rooms. An American couple once opened the door of their room and saw a young woman sitting on the bed. They left because they thought they were in the wrong room. In fact it was their room, but when they came back the room was empty.

Marte Solberg, 22, from Norway said, 'A lot of people said it was **fun**, but I was scared of falling over and dying. I was worried because I had no experience of mountain biking. One mistake and you are dead. I asked myself a thousand times, "Why am I doing this?"'

Paris: Théo

I met Théo at the Place D'Italie metro station. He's 24 and his English is good. At his apartment I met his flatmate, Roger. They were very friendly. They made me a delicious dinner of crêpes and ham and eggs. Then they took me to Fotsie, a great bar near the Opéra. Some friends came and in the end the conversation changed to French. That was difficult for me and I got tired. Finally, we went to a party near Montmartre. It was great! Lots of friendly people. I went back to Théo's flat on the back of his bicycle.

Vienna: Artur

I stayed with Artur, a biochemistry student. He was friendly, but when I arrived I wanted to have a bath and I forgot to turn off the tap. The bathroom was full of water. Oops!

Budapest: Judit

I got off the train at the wrong station so I arrived late at Judit's flat. She wasn't very happy. She's a journalist for the Hungarian channels MTV and TV2 and she's an incredibly busy woman. In the afternoon she took me with her to a shopping centre to help her choose a dress for a party. That was a bit surreal! In the evening we had dinner together in the Castro bar in the city centre. Next day I flew home to London, tired but happy. I'm definitely going to do it again!
